IN THE MATTER OF:)
S. J. NUDELMAN AND SON, INC.) Docket No. 1088-09-33-2615
Respondent.) AFFIDAVIT OF MARVIN NUDELMAN

STATE OF OREGON)
County of Multnomah) ss.

I, Marvin Nudelman, being first duly sworn, depose and say:

I make this affidavit on behalf of S. J. Nudelman and Son, Inc. in compliance with the Consent Agreement and Final Order in this case. All facts and statements contained in this affidavit are within my personal knowledge.

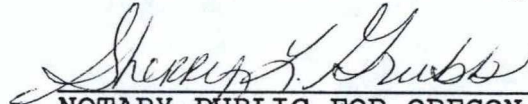

Following the filing of the Administrative Complaint in this action, the electrical bushings that are the subject of alleged violation 2 of EPA's complaint were investigated by myself among others. The investigation revealed that the bushings at issue were labelled with Diala-D label which is commonly known in the

1 electrical industry to be non-PCB containing fluid. Further, the
2 attached bid page from the Bonneville Power Administration sale of
3 government personal property to S. J. Nudelman effective through
4 November 30, 1984 which included the bushings at issue, reveals at
5 Page 5 that the sale included electrical equipment at Item 11
6 indicating at a minimum that the materials contain less than 50 ppm
7 PCBs. These records confirm that the bushings at issue were
8 considered to be non-PCB containing equipment by the BPA at the
9 time and further, the Diala-D labels substantiate the fact that
10 this is non-PCB containing equipment.
